

SkillDisplay Roadmap 2021

Quarter 1 – Technical brush up

	Verification Credit System	Allows granting free SkillDisplay feature access via trials and/or partnerships
	Performance Optimisation	Increase performance, like SkillSet loading times
	UX/UI Polishing	Beautify minor nitpicks in the frontend, optimize technical structure
	Webinar: Quickstart for SME	Webinar to empower Subject Matter Experts to introduce new public skills on the platform
	Press Release: TYPO3 Certifier Community Program	Announcement about the cooperation between the TYPO3 Association and SkillDisplay in 2021
	TYPO3.com blog article	TYPO3 Association Member Benefits on SkillDisplay
	TYPO3.com blog article	Building Career Options and a Mentorship Program with SkillDisplay

Quarter 2 – Enabling the Community

	Suggestions for Learners	Partners will be able to offer their available services (blog articles, coaching, workshops) to have them suggested to learners at the moment they can benefit from them
	TYPO3 Certifier Community Program Launch	TYPO3 Association members can access SkillDisplay services for businesses for free (details to be announced in the press release)

🎓	Webinar: Quickstart for Businesses	Webinar with personal coaching to empower organizations to make the most out of their services for business on SkillDisplay
🎓	Webinar: SkillDisplay Certified Professional	Webinar for SkillDisplay users who want to deepen their methodology knowledge and/or attempt official SkillDisplay Certification. (see https://www.skilldisplay.biz/certified-professional)
🎓	Webinar: SkillDisplay Certified Technician	Webinar for SkillDisplay users who want to deepen their technical knowledge and/or attempt official SkillDisplay Certification. (see https://www.skilldisplay.biz/skilldisplay-certified-technician-workshop)
📡	TYPO3.com blog article	Offering and benefitting from service suggestions on SkillDisplay

Quarter 3 – Micro-Certification

🔑	SkillDisplay Micro-Certification Use-Case	Public release for the full SkillDisplay Micro-Certification scenario. Users can attempt official Certification for skills relevant to their unit of work. (Example: Certify a set of skills you learned during a webinar) Important: This is relevant to SkillDisplay Certification only and demonstrates how Micro-Certification works
🎓	Live Workshop: Quickstart for Businesses	Live workshop with personal coaching to empower organizations to make the most out of their services for business on SkillDisplay
